

**REMARKS**

Applicants gratefully acknowledge receipt of the Notice of Allowance dated August 6, 2008.

This paper presents amendments made under 37 C.F.R. §1.312 to the specification of the application to conform abstract and summary of the invention to the claim(s) allowed. No amendments are made to the claim(s) and no new matters are added.

According to MPEP §714.16, the examiner "has authority to enter amendments submitted after Notice of Allowance of an application which embody merely the correction of formal matters in the specification or drawing, or formal matters in a claim without changing the scope thereof, or the cancellation of claims from the application, without forwarding to the supervisory patent examiner for approval." The amendments presented in this paper include only corrections of formal matters in the specification. Therefore, Applicants respectfully request that the amendments be entered in accordance with 37 C.F.R. § 1.312 under the Examiner's authority as specified in MPEP § 714.16.

If any fees are required, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 09-0458.

Respectfully Submitted,

Biran, et al.
